KROKA'S FINANCIAL & ENROLLMENT POLICIES

We place a top priority on the wellbeing of each individual and our community. As a result, nearly all of our students complete their programs, and many return to Kroka as repeat students, apprentices, and eventually staff. Should circumstances complicate or prevent the successful completion of the program, these are the policies and procedures that will apply:

Withdrawal prior to the start of the program: Should circumstances require you to change your plans, your tuition is refundable up to 60 days prior to the starting date of the program, less a \$500 cancellation fee. **After that date, all tuition and fees are non-refundable.**

Withdrawal or dismissal from the program: Kroka reserves the right to dismiss a student from the program if the Faculty, Staff, or Board of Trustees determine that their behavior or performance is not in accordance with the Code of Conduct, our Essential Eligibility Criteria, or is jeopardizing the functioning of the program or the education of any student. Since our operating expenses in planning and staffing the program do not diminish if a student departs during the course of the semester, you acknowledge that your obligation to pay fees for the full program is unconditional. **No deduction, remission, or refund of fees or tuition charges will be made by Kroka or Sterling College for any absence, dismissal, or withdrawal from the program due to disciplinary, academic, fitness, social, emotional, or personal reasons.** Students and families will be held accountable, to the extent permitted by law, for Kroka's expenses of enforcement and collection of those fees.

Medical Issues: Should a student be unable to complete the program due to injury or illness, Kroka will offer to apply the unused portion of their tuition (less fees) towards a future program with Kroka for that student or a sibling. Fees in these cases may include administrative costs, evacuation transportation costs, equipment, medical appointments, or extra staff time.

Tutoring and special services: Should a student require individualized tutoring, counseling, or fitness training, parents will be informed and fees for these services will be the responsibility of the parents.

Transcripts, Credits, College Tuition: In the event of early withdrawal or dismissal from the program, students will not receive any academic credit. Kroka reserves the right to withhold student evaluations and academic transcripts until we have received full payment of semester tuition and fees.

Change of plans: Kroka reserves the right to change our curriculum, activities, schedules, itineraries, and staff, as well as policies and procedures, as circumstances may require. If the program duration needs to be changed or cancelled due to circumstances outside our control, we will provide a pro-rated refund, less any fees incurred.
