Graduation from Kroka

Eligibility:

Students who wish to receive a high school diploma from Kroka must:

- have successfully completed a Kroka Semester within 6 months of completing their required credits for graduation
- complete a minimum of 25 high school credits, as noted in the chart above. **Please note that college bound students typically graduate with up to 26+ credits, including additional credits in Math and Sciences.*
- transfer in their credits to Kroka via official transcripts from accredited/approved institutions
- pay an administrative and diploma fee of \$500

Please contact Kroka's Semester Director for more information.
